TAX TREATMENT OF DISTRIBUTIONS BY REIT & INVIT

Disclaimer:

Please note that the above tax treatment is with respect to **Resident unitholders** and according to the declarations made by the REIT. The source of the same has been mentioned beside every REIT. Please contact your CA/Financial advisor for any specific tax treatment that may apply to you. PRSSB Ltd is not responsible for any misstatements whatsoever.

Powergrid InVIT	Taxable-Slab rate	\$\$	Exempt ^	-	Click Here

IndiGrid has opted for concessional tax rate regime i.e. 22% plus applicable surcharge & cess under Sec.115BAA of the IT Act for its current SPVs (except PrKTCL). The tax obligation may vary in case the SPV acquired in future does not opt for such concessional tax regime.

^ Considering "Capital Repayment" to be part of any other income and hence not subject to tax.

\$\$ Please note that in case of Dividend distributed by PG Invit - the taxability depends on whether the underlying SPV has opted for concessional tax regime. If the underlying SPV has opted for concessional tax regime under section 115BAA of Income Tax act, the "Dividend" received to that extent will be taxable.

& Capital reduction/ buyback will result in reduction in the cost of Investments.

*It is assumed that Amortization of SPV level debt is part of "balance distributions" in case of Embassy REIT and hence not subject to tax.

**Repayment of Shareholder's loan is exempt but it may reduce cost of acquisition of units for unitholders.

In case of Embassy REIT - Return of Capital is termed as "Amortization of SPV level Debt"

In case of Mindspace REIT - One of the nature of distributions is "Other Income" but the tax treatment for the same is unclear.

In case of Brookfield REIT - Return of Capital is termed as "Repayment of Shareholder's Loan" and they also distribute Income in the nature of "Interest on Fixed deposits"
